In Re Applicant : IVAN WU et al.
Application No. : 09/767,390
Filed : January 23, 2001
For : PIXEL STRUCTURE IN LIQUID CRYSTAL DISPLAY
Patent No. : 7,336,331
Issue Date : 2/26/2008

PETITION REQUEST FOR CORRECTED PATENT GRANT
Under 37 CFR 1.323

Attn: Certificates of Correction

Commissioner of Patents and Trademarks
P.O. Box 1450
Alexandria, VA 22313-1450

Dear Sir:

Applicant respectfully requests that the Patent Grant related to the above-identified application be corrected to reflect the true Assignee's name, **Au Optronics Corporation**, as shown in the Assignment Real 014334 and Fram 0492, recorded on July 29, 2003. Presently, the Patent Grant incorrectly shows the name as 'Unipac Optoelectronics Corp.'. This mistake is due to clerical typo on the previously filed Issue Fee Transmittal Sheet (Form PTOL_85).

The Assignment was submitted and recorded on July 29, 2003, which is set forth in 37 CFR 3.11 before issuance of the patent. As the evidence, a copy of the Patent Assignment Abstract of Title from the USPTO EFS web is enclosed. Therefore, the correction does comply with the 37 CFR 3.81(b) and does not constitute new matter. No reexamination is required.

A Certificate of Correction (Form PTO/SB/44) is also enclosed herewith.

The Commissioner is authorized to charge the required fee set forth in 1.20(a) and the processing fee set forth in 1.17(i) total in the amount of \$ 230 or any additional fees required in connection with the filing of this paper to account No. 50-0710 (Order No. JCLA6877-R2).

Respectfully submitted,
J.C. PATENTS
